

Lighthouse 2 Lighthouse Ladies is a not-for-profit organisation (NPO169-860) that raises funds for charities in the Overstrand. Money is raised by mobilising the fundraising efforts of the committed, generous, and fit ladies who complete the 4-day 100km walk from L'Agulhas lighthouse (the southernmost tip of Africa) to Danger Point Lighthouse in Gansbaai. The ladies walk along the undisturbed beaches protected by Cape Nature. Special permission is gained to do these walks and the walkers take special care to only leave memories behind on this beautiful trail. This is a bucket list experience that anyone passionate about making a difference in the Overstrand should consider. Extra funds are also raised through the monthly Practice Walks and the regular Wednesday Walks.

Since its inception in 2006, when there were only 10 registered walkers, to 2020 when there were 120 registered walkers, L2L has raised nearly R5million and supported more than 20 different charities in the Overstrand.

SOFCA was very fortunate to be chosen as the winning charity this year and we will receive all the funds that are raised by the Lighthouse 2 Lighthouse ladies April walk. We have allocated this money for the upgrade of 8 of our bathrooms. This is a much longed for and a much-needed improvement that we could never raise enough money for ourselves, and it will be a huge benefit to our residents.

We are forever grateful to the L2L ladies and consider it a privilege to be joining them on this walk.
